

Chemroy Canada Inc.

Proud to be Known by the Company we Keep

ANIMAL FEED INGREDIENTS LINE CARD

PROVIDING NUTRITIOUS PET FOOD SOLUTIONS

Chemroy is a distributor of GMP compliant ingredients, providing renowned quality and service to the Canadian animal feed industry. Our portfolio includes antioxidants, vitamins, minerals, proteins, fibers and more. Our products are manufactured by world-class suppliers and supported with technical and formulation development.

The majority of ingredients in our portfolio meet all the global food safety standards to allow for complete global production coverage. We understand each new project can have its own formulation obstacles, we offer support and solutions to guide you towards your product performance goals.

Let us know your formulation needs and we can provide you a potential solution.
